arenal sofa

Etna tables, designed by architect Marian Papadatou, are made of lava stone extracted from the homonymus volcano. During production process thermal treatment that simulates volcanic conditions, merges recycled glass collected from old monitors, colour and lava stone to give life to an eco-sustainable table.

Arenal is a totally modular sofa designed by architect Jacopo Giagnoni. Deriving inspiration by the homonymous central American volcano, J. Giagnoni managed to develop a sofa system that can be ideal for any space from a small city center apartment to a big living room.

sideboard

moon sofa

Henze low table has been designed by architect Jacopo Giagnoni. It is composed by a combination of Murano and fumed glass, built in such way to shape a triangle with its legs. J. Giagnoni was inspired by neolithic earthworks, where a circular stone is usually balancing on others, creating unique shapes.

madisson low tables

pace sofa

madison low tables | eos side table

Pace, is a collection of sofas designed to recreate the dynamic atmosphere that inspired its name.

Jacopo Giagnoni was inspired of Venice collection by the arches and classic buildings of the homonymous city.

margi

armchair

madison table

An armchair characterized of its curves and flowing lines. Apparently made of polyurethane shell and solid wood legs. The link between traditional and modernity.

Mythos, the sideboard collection enables endless combinations of shapes and colours. Colour touches hide and reveal themselves as precious aesthetic details together with the essential lines of this series of containers of various personalities. The metal base is available in black chrome.

chloé

sofa

madisson low tables | syni low table | tam tam pouf | margi armchair | sixty console

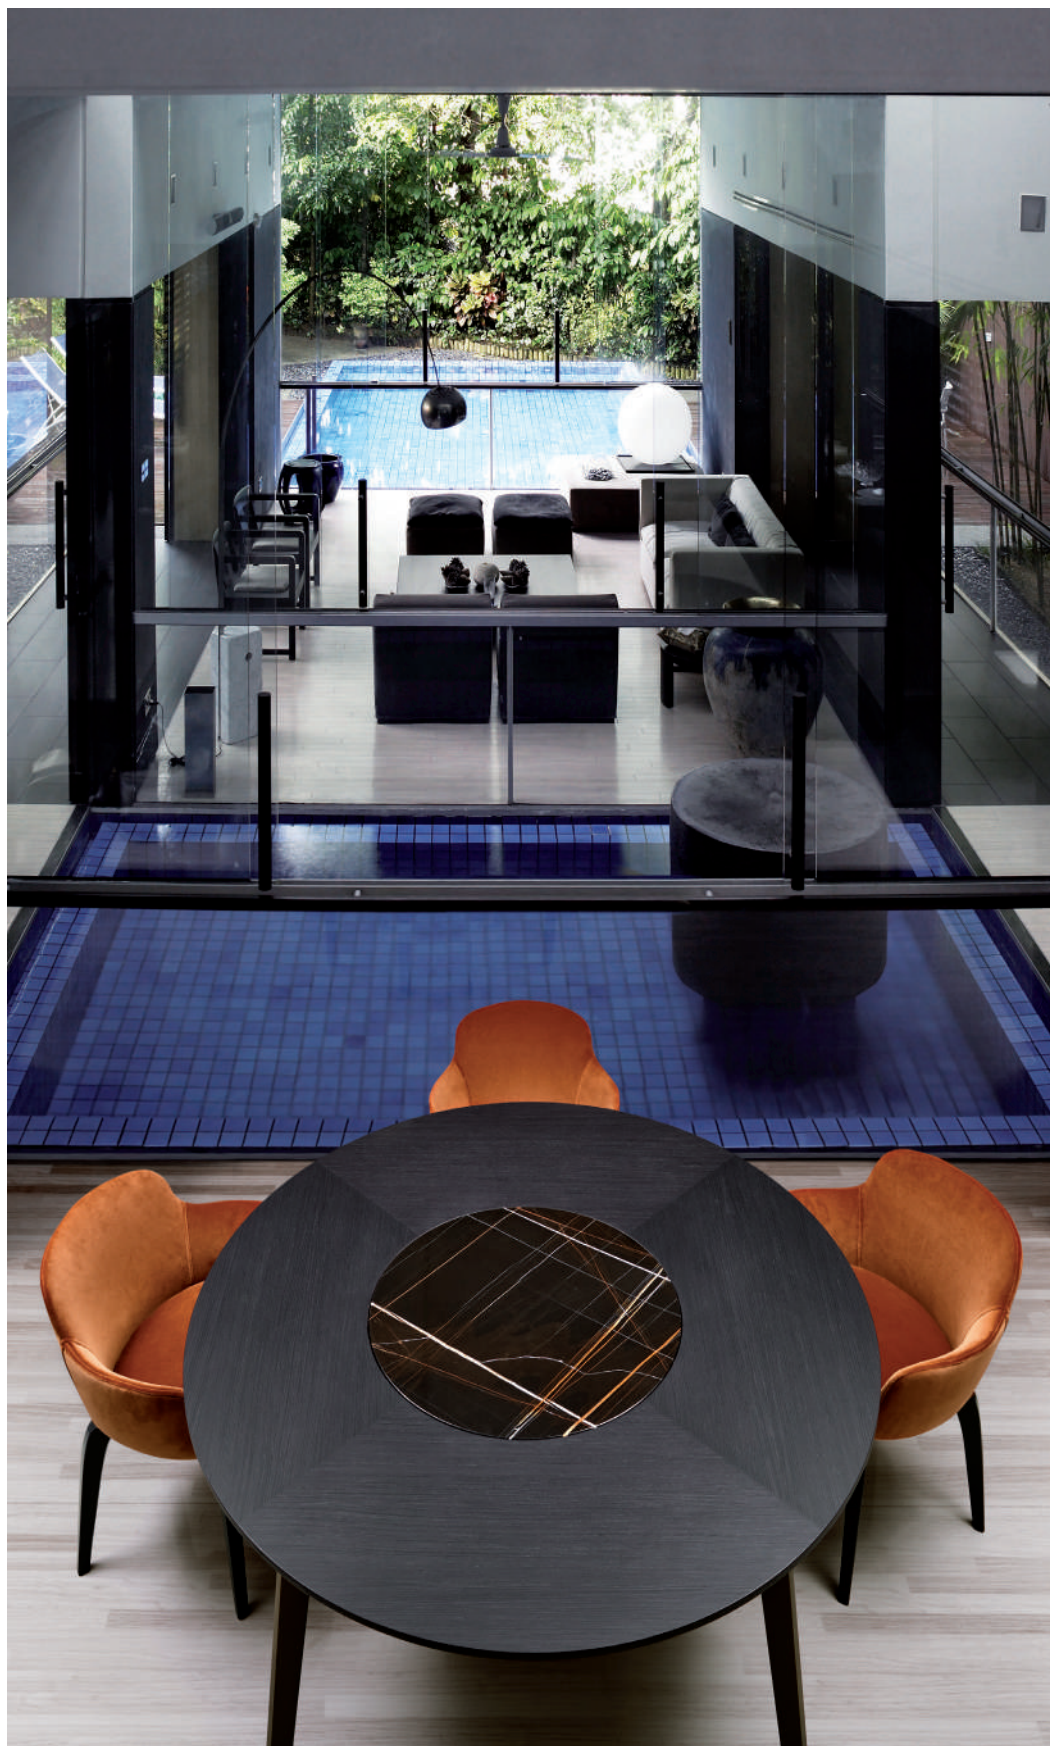

The Sixty console is simple by design, the choice of materials offers exciting combinations for creating bold visual and tactile effects.

madison low tables

A sophisticated reinterpretation of the traditional refectory table using striking luxury materials and highly sophisticated design solutions. The metal base lend a sleek line to the table. The Lazy Susan is available in a variety of seven luxury marbles which are perfectly matched to the wooden top.

aléria

chair

Aleria is a design chair with elegant, functional lines that announce the ultimate relaxation and comfort it is designed to deliver, among Papadatos' best sellers, Aleria is an ideal option both for residential and contract settings.

Timeless, uncluttered elegance in a lineup of design cabinets that adapts effortlessly to any setting or interior decor style.

mansion

writing desk

danae swivel chair

Aria collection has structure of teak slats and inox components, a combination that creates a balanced alternation of lines and materials.

aria
outdoor sofa

The collection is made up various pieces of lounge furniture: sofas, daybeds, poufs and other modular elements that make it possible to create an infinite combination of arrangements for open air living.

The collaboration with Jacopo Giagnoni has given rise to Aria, a collection of lounge furniture for open-air use, as their name “Aria” reveals in the Italian language.
