**The Art of Refinement.**

A new colour narrative.  
A new chapter. Inspired by  
leading fashion houses, the  
new Schönbuch colour  
palette translates  
contemporary trends into  
refined furniture design.

STRIPES | Lowboard  
Jehs+Laub

The focus is on our iconic modular storage system STRIPES – a signature piece we invented almost two decades ago – now architecturally reinterpreted and thoughtfully evolved by Jehs+Laub.

Mineral Stones in three carefully curated tones form part of the collection. A refined choice of stone that expands the design spectrum, strengthening Schönbuch's position within the luxury segment.

**TOMO | Side Tables**  
Carole Baijings

Matt oaks in nuanced tones. From light to deep, a curated range of wood stains opens up new planning freedom for modular systems and furniture items, defining a refined, luxurious aesthetic.

LINE Edition | Coat Rack  
Carole Baijings for Apartment 8

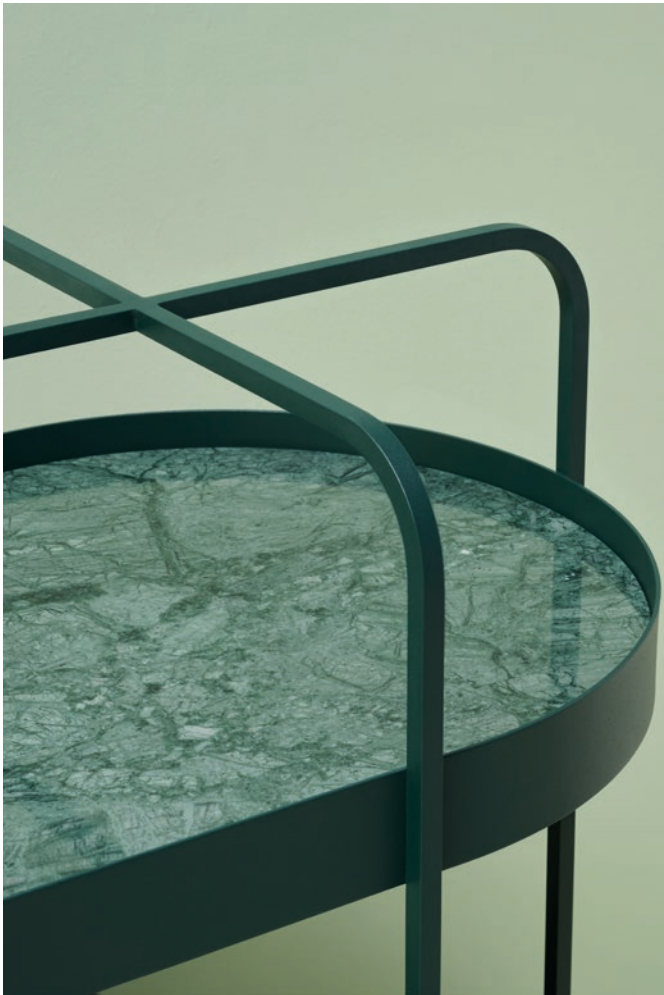

LINE reimagined through colour. Subtle gradients play with light as three tones blend into a refined chromatic composition, designed by Carole Baijings. Realised using state-of-the-art printing techniques, each piece celebrates nuance and craftsmanship.

# GRACE Club Edition | Bar Trolley

Sebastian Herkner

The new limited GRACE edition features a metal frame in exclusive Moss Green and a top crafted from Verde Guatemala Marble – a deep green natural stone with intricate veining. High-quality materials and crisp design are united in a versatile and timeless piece, designed by Sebastian Herkner.
