OUT SYSTEM

La carta da parati per l'esterno

The wallpaper for outdoors

SUBJECTS 2025

Cinnamon Shadows	13	22
Perseo	19	23
Namikidori	16	23
Eternal Beauty	15	23

CARATTERISTICHE

FEATURES

OUT SYSTEM è il rivestimento murale per pareti in esterno quali patii, terrazze e facciate, che abbina all’aspetto decorativo un’ottima resistenza alla pioggia, all’ingiallimento, a urti, strappi e abrasioni.

OUT SYSTEM is the wall covering for outdoor walls such as patios, terraces and facades, which combines a decorative effect with excellent resistance to rain, yellowing, knocks, tears and abrasion.

OUT SYSTEM

APPLICAZIONI
Specifico per muri in esterno (residenziale, industriale, commerciale)

Installazione rapida anche su superfici esistenti.

INSTALLATION
Fast to install also on existing mural surfaces.

RESISTENZA AL FUOCO
EU Classe B s1 d0 , USA Classe A

REACTION TO FIRE
EU Class B s1 d0 , USA Class A

COMPONENTI

COMPONENTS

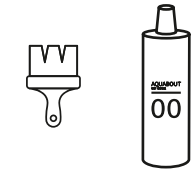

OUT SYSTEM

è un sistema completo appositamente studiato per applicazioni su superfici e facciate in esterno.

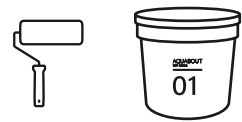

OUT SYSTEM

is a complete system specifically developed for applications on outdoor surfaces and facades.

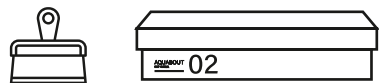

OUT SYSTEM 00
Primer
Primer

OUT SYSTEM 01
Adesivo
Adhesive

OUT SYSTEM 02
Tessuto in fibra di vetro
Fiberglass

OUT SYSTEM 03A+03B
Finitura protettiva bicomponente
Two-component protective coating

ESEMPI DI APPLICAZIONE

APPLICATION EXAMPLES

Parete in calcestruzzo, intonaco cementizio, cartongesso per esterno

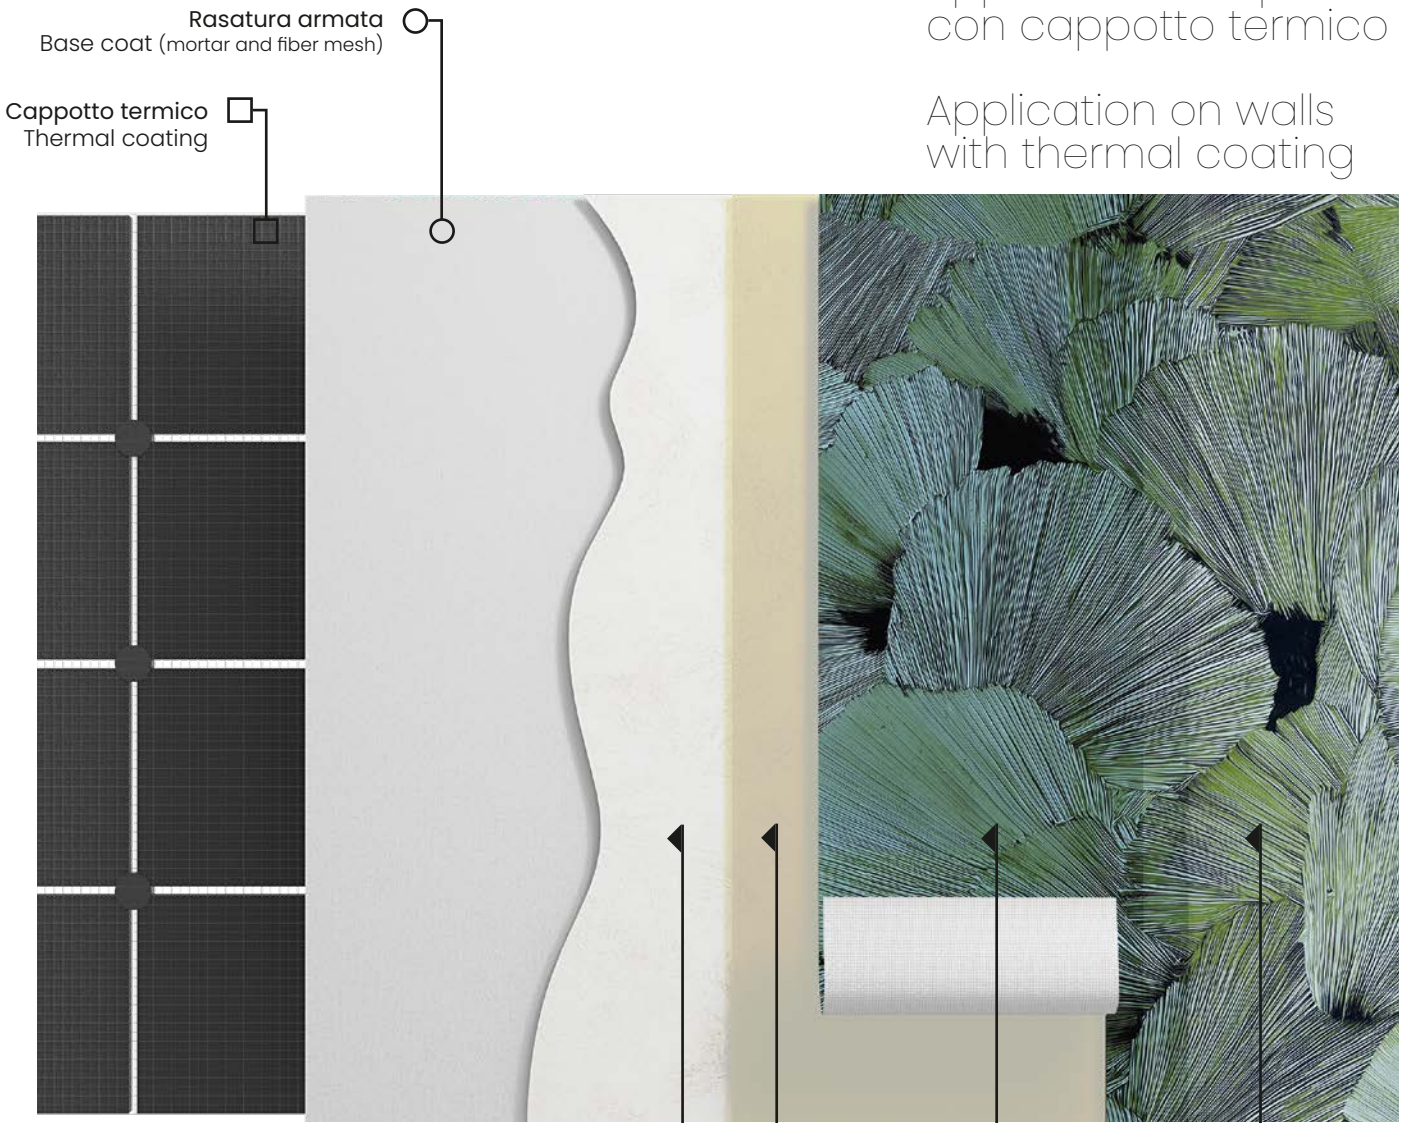

Application on wall in concrete, cement walls, outdoor gypsum board

- Intonaco Plaster
- OUT SYSTEM 00
Primer impermeabilizzante
Water tanking primer
- OUT SYSTEM 01
Adesivo
Adhesive
- OUT SYSTEM 02
Tessuto in fibra di vetro
Fiberglass
- OUT SYSTEM 03A+03B
Finitura protettiva bicomponente
Two-component protective coating

Applicazione su parete con cappotto termico

Application on walls with thermal coating

- Cappotto termico Thermal coating
- Rasatura armata Base coat (mortar and fiber mesh)
- OUT SYSTEM 00
Primer impermeabilizzante
Water tanking primer
- OUT SYSTEM 01
Adesivo
Adhesive
- OUT SYSTEM 02
Tessuto in fibra di vetro
Fiberglass
- OUT SYSTEM 03A+03B
Finitura protettiva bicomponente
Two-component protective coating
