➔ DESTINATIONS

The Zimmer + Rohde collection chronicles the fascination of travel. Following the footsteps of Marco Polo, we set off on an expedition around the globe of the 21st century to discover the amazing variety of different places and cultures on our planet. Along our journey, we drew inspiration from exotic colour combinations and unusual shapes, shedding new light on the old and familiar.

HAVANNA

A highly durable faux leather, in a classic braid style. This cool and uncomplicated material can be used in many different interior design genres, from contemporary to classic, and intimate to grander settings.

FESTIVAL

The pattern has a sketched look that takes on a life of its own every time the fabric moves – it looks like a blurred, colourful reflection of the surface of a body of water. Meticulous all-over embroidery creates a feast of colours bound by gorgeous textile artistry.

BORNEO

The Indonesian part of the island Borneo refers to a tradition of more than 100 years in the cultivation of rattan. Our latticework fabric Borneo with its handmade look is inspired of the lush rattan gardens of Benuaq, a tribe of the Dayaks in Eastern Borneo. This fabric consists of multi-coloured moiré yarns and impresses with a surprising transparent effect.

LODGE

The Far Eastern look of this weave is created using matte bouclé yarns on an elegant, finely threaded warp. This fabric's decorative yet subdued Jacquard pattern makes it well suited for combination with seating arrangements both small and large.

HERITAGE

Die Zimmer + Rohde Tapetenkollektion *Heritage* verbindet metallische Farbakzente, strukturierte Oberflächen und Anlehnungen an die abstrakte Malerei mit hochwertigem Digitaldruck, traditionellen Handarbeitstechniken und erlesener Materialität. So erzählt sie gleichwohl von vergangenen als auch von kommenden Zeiten. Sie ist eigenständig, exklusiv und dennoch vielfältig einsetzbar.

The Zimmer + Rohde wallpaper collection so far, *Heritage* combines metallic colour accents, structured surfaces and inspiration from abstract painting, making use of high-quality digital printing, traditional craftsmanship and exquisite materials. In this way, it is a tribute both to the past and to the future. This exclusive collection speaks for itself, and at the same time it remains highly versatile.

La collection de papiers peints *Heritage* de Zimmer + Rohde, allie touches de couleurs métalliques et surfaces structurées et s'inspire de la peinture abstraite avec ses impressions numériques de grande qualité, ses techniques artisanales traditionnelles et l'exclusivité de ses matériaux. Cette richesse lui permet d'évoquer aussi bien les temps anciens que ceux à venir. Indépendante, exclusive et pourtant polyvalente, elle s'intègre dans tous les intérieurs.

Heritage, la collezione di Carte da Parati e Rivestimenti Murali di Zimmer + Rohde, unisce accenti cromatici metallici, superfici strutturate e accostamenti alla pittura astratta con la stampa digitale di alta qualità, tecniche artigianali tradizionali e ricercata materialità. Così racconta sia dei tempi passati che di quelli futuri. È unica, esclusiva e tuttavia molto versatile.

CARNET DE VOYAGE

Diese Kollektion ist ein Tagebuch von einer Reise nach Indien, die in Rajasthan beginnt, nach Kaschmir und über die Berge des Himalayas führt. Es erzählt von den Turbanträgern in Jaipur, der Pink City, und von den Palästen in Rajasthan, von Kamelmärkten in der Wüste von Jaisalmer, vom indischen Straßenverkehr mit seinen Kühen und von den Hausbooten auf dem Dal-See vor den Gipfeln des Himalayas. In unserem „Carnet“ befinden sich ebenfalls Mitbringsel: die Farben der Saris, Pfauen, künstlerisch gebundene Turbane, bunte Straßenbilder, die Kargheit der Wüste, der blaue Himmel und die Farben des Himalayas.

This collection represents the diary of a journey to India that begins in Rajasthan, and leads to Kashmir and over the Himalaya Mountains. It tells of the turban wearers in Jaipur, the Pink City, and the palaces of Rajasthan; of camel markets in the desert of Jaisalmer, of Indian street traffic with cows, and of the houseboats on Lake Dal at the foot of the Himalayas. There are likewise souvenirs in our 'carnet': the colours of the saris, peacocks, artistically-wound turbans, colourful street scenes, the sparseness of the desert, the blue sky and the shades of the Himalayas.

Cette collection relate les journées de voyage à travers l'Inde, entre le Rajasthan et le Kashmir, en passant par les sommets de l'Himalaya. Elle raconte les hommes enturbannés à Jaipur, la Cité rose, et les palais du Rajasthan, les caravanes de chameaux dans le désert de Jaisalmer, la circulation dans les rues indiennes, au milieu des vaches, et les maisons flottantes sur le lac Dal, face aux montagnes de l'Himalaya. Notre « Carnet » recèle aussi d'innombrables souvenirs précieux : couleurs des saris et des paons, turbans savamment noués, images des rues multicolores, austérité des déserts, azur du ciel et teintes de l'Himalaya.

Questa collezione è il diario di un viaggio in India, che inizia nel Rajasthan e prosegue attraverso le montagne dell'Himalaya per arrivare nel Kashmir. Racconta dei locali che indossano il turbante a Jaipur, la Città Rosa, e dei palazzi nel Rajasthan, dei mercati di cammelli nel deserto di Jaisalmer, del traffico stradale indiano con le sue mucche e delle case galleggianti sul lago Dal davanti alle cime dell'Himalaya. Nel nostro carnet si trovano anche tipiche impressioni come i colori dei sari, i pavoni, i turbanti avvolti con maestria, le strade variopinte, l'aridità del deserto, il cielo azzurro e i colori dell'Himalaya.
